

ANNEX I

NOTES ON STATISTICS

1. General. - The information in the statistical tables in this Report has been primarily derived from replies by the aid supplying countries to a questionnaire sent to all governments.
2. Area coverage. - The Commonwealth has been defined as self-governing members of the Commonwealth and associated and dependent territories as at February 1972. Where necessary, adjustments have been made to the figures for earlier years to ensure comparability.
3. Rounding. - The addition of individual items in columns does not necessarily add to the totals given owing to rounding.
4. Conventional signs. - The following symbols have been used:
 - nil or negligible
 - .. not available
 - () figures in brackets are either incomplete or Secretariat estimates.
