We are grateful to the Commonwealth Secretary-General, Kamallesh Sharma, for inviting us to form this Commonwealth Expert Team, and thereby allowing us to make a contribution to the ongoing consolidation of democracy in Seychelles.

We wish to express our sincere thanks and appreciation to all stakeholders in Seychelles that have shared their views and insights with us. This enabled us to develop an understanding of the background to the election, and the electoral process itself. We express our particular appreciation to the Electoral Commissioner, Hendrick Gappy, and his staff for their excellent co-operation and assistance that facilitated our work greatly.

Above all, we express our appreciation to the people of Seychelles whose warmth and friendliness made us feel welcome. We hope that our presence and work will be of benefit to them.
